**TERMINATION AND RELEASE OF SECURITY
INTERESTS IN PATENTS, TRADEMARKS AND COPYRIGHTS**

THIS TERMINATION AND RELEASE OF SECURITY INTERESTS IN PATENTS, TRADEMARKS AND COPYRIGHTS (this "Release") is granted and made effective as of January 22, 1998 by TRANSAMERICA BUSINESS CREDIT CORPORATION, a Delaware corporation ("Agent") and WATERBURY COMPANIES, INC., a Delaware Corporation ("Grantor").

W I T N E S S E T H:

WHEREAS, Grantor and the Agent, in its capacity as collateral agent for various lenders, entered into a Patent, Trademark and Copyright Security Interest Agreement, dated as of October 22, 1993 (the "Agreement"), pursuant to which Grantor granted to the Agent a security interest in all of Grantor's right, title and interest in each of its past, present and future patents, trademarks and copyrights, and royalties and other monies relating thereto, including but not necessarily limited to the Intellectual Property, as defined in the Agreement (collectively, the "Released Intellectual Property");

WHEREAS, a security interest was recorded with the United States Patent and Trademark Office on November 4, 1993 on Reel/Frame Numbers 6752/908 with respect to the patents and patent applications listed on Schedule A attached hereto and on Reel/Frame Numbers 1059/0019 with respect to the trademarks and trademark applications listed on Schedule B attached hereto (collectively, the "Scheduled Intellectual Property");

WHEREAS, Grantor has fulfilled its obligations and has requested that the Agent terminate all security interests in and liens on all Released Intellectual Property, including without limitation the Scheduled Intellectual Property; and

WHEREAS, the Agent is willing to release such security interests and liens;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and

sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. The Agent re-grants, re-conveys, re-assigns, re-transfers and releases to the Grantor whatever rights, title and interest, if any, in and to the Released Intellectual Property, including but not limited to each of its past, present and future patents, trademarks and copyrights, and royalties and other monies relating thereto, including but not necessarily limited to the patents and trademarks set forth, respectively, on Schedules A and B, attached hereto, together with the goodwill of the business symbolized by each trademark and the registrations of and applications for each patent, trademark and copyright, it being understood that the Agent's right, title, and interest, if any, in and to the Released Intellectual Property is solely that of a secured party pursuant to the Agreement. The Agent will execute and deliver to the Grantor all deeds, assignments, and other instruments as may be necessary or proper to terminate all of the security interests in the Released Intellectual Property, including but not limited to the Scheduled Intellectual Property that were granted by the Grantor under the Agreement, in a form and on terms reasonably satisfactory to the Grantor, to release the Agent's lien, security interest and encumbrance against the Released Intellectual Property, including but not limited to the Scheduled Intellectual Property and the goodwill symbolized by the trademarks, and including the right, if any, to all re-issues, extensions or renewals thereof and to recover for all past, present and future infringement thereof and royalties and other monies relating thereto, and all other rights of any kind whatsoever accruing thereunder or pertaining thereto.

2. The Agent agrees to cancel and terminate and does hereby cancel and terminate all rights and obligations of the Grantor relating to the Released Intellectual Property, including, but not limited to the Scheduled Intellectual Property, under the Agreement.

3. This Release shall be governed by, and construed in accordance with, the laws of the State of New York.

4. This Release may be executed in two counterparts, and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

IN WITNESS WHEREOF, the parties have caused this Release to be duly executed and delivered by a duly authorized officer and made effective as of the date first set forth above.
